# DC Advisory advises Gallant Capital Partners on its strategic investment in DynTek

**Background**

- Gallant Capital Partners (Gallant) is a US-based private equity firm that invests in technology, business services and industrial companies. Gallant has an operationally-focused investment strategy that prioritizes partnering with companies that can benefit from its industry relationships and operating expertise
- DynTek, Inc. (DynTek) is a US-based professional IT services, cybersecurity, and risk management organization

**Process**

- DC Advisory was engaged by Gallant to provide buy-side advice due to its expertise in the IT services sector
- DC Advisory provided strategic insights regarding the organic and inorganic growth opportunities for DynTek

**Outcome**

- Coinciding with the close of the DynTek transaction, Gallant completed a strategic

- investment in rSolutions Corporation (rSolutions), a Canadian-based cybersecurity firm
- Gallant will combine DynTek and rSolutions under a single leadership structure and investment umbrella to form a leading systems integrator and managed services provider
  - This transaction bolsters DC Advisory's credentials in the IT services sector and demonstrates its differentiated insight and market access
