DC Advisory advised Learn360 on its sale to Facts on File

Learn360 is a leading subscription-based software-as-a-service provider of high-quality digital media to the K-12 education market in the U.S. and Canada. Learn360 offers a comprehensive library of full-length videos, shorter video clips and articles from leading education and media brands to a base approaching 14,000 schools serving 6.4 million teachers and students.

Facts On File is an award-winning publisher of reference materials for schools and libraries. Facts On File's parent company Infobase Learning is an educational solutions provider serving the school and library community with over 15,000 print, film, and digital products under such well-known brands as Facts On File, The World Almanac?, and Films for the Humanities & Sciences.
