DC Advisory advises Resource Chemicals on its sale to CSG Group

Background

- Resource Chemicals is a privately-owned independent chemical distributor serving customers across the UK, establishing a strong reputation through long-term customer relationships and providing personal service, technical support and reliable delivery
- Resource Chemicals' portfolio caters for a diverse customer base across multiple industries, including chlor-alkali, water treatment, coagulants, food ingredients, surface treatment and remediation
- CSG Group is the parent company of Chemifloc and GI Chemicals, manufacturing and distributing chemicals Europe-wide

Process

- DC Advisory acted as the exclusive financial advisor to the shareholders of Resource Chemicals on its sale to CSG Group
- DC Advisory leveraged its deep sector knowledge and led negotiations on the key commercial terms of the transaction, ensuring alignment with shareholder objectives and maximising value

Outcome

- CSG Group agreed to acquire Resource Chemicals in April 2026
- Financial terms of the transaction were not disclosed
- All employees at Resource Chemicals will remain, including senior

management who will continue to lead the next stage of the company's growth with the support of CSG

- This transaction further illustrates DC Advisory's expertise in the Industrials and Chemicals sector
