# Richard Madden

Richard is DC Advisory's European Executive Chairman, following 14 years as the CEO of DC Advisory UK, and more than 30 years' investment banking experience.

Richard began his career at Arthur Andersen, followed by stints at Barings and Bear Stearns, before joining DC Advisory in 2005.

**Richard says:** "I get a buzz out of my sector, my colleagues and from the culture; a culture that is committed to integrity and fairness, and to the provision of the right advice to our clients."
